

Dear Parents and Campers,

Hey Guys, another summer at camp is approaching fast and my staff & I can't wait to see you up here. This letter will cover everything you will need up at camp for the summer.

### Clothes

The summer climate in the Blue Ridge Mountains averages in the mid 80's during the day with temperatures dropping to the 60s at night. Each camper should bring:  
6 changes of tennis clothes, plenty of t-shirts & shorts, a light jacket, a bathing suit, 2 pairs of pants, a pair of water shoes (not flip-flops, must be held onto your feet, you can bring an old pair of shoes), and if you are staying for more than a week a laundry bag with your name written on it. Sheets and towels are provided.

### Tennis Equipment

Please bring at least one tennis racquet, a pair of tennis shoes (for safety reasons no cross trainers or running shoes). Each camper will be provided camp shirt, hat and water bottle.

### Phone Policy/Contacting your child

All cell phones **MUST** be checked in upon arrival. Each camper will be allowed one call home per week (special arrangements can be made for homesick kids). Parents you can send emails to your kids to [steve@brendaschultztennis.com](mailto:steve@brendaschultztennis.com) and they will be printed out and distributed. Our office number is (276) 930-1916.

### Spending Money

Campers will not need any money during the week, other than for restringing tennis racquets which costs \$15. For campers staying over a weekend, the weekend fee will cover the cost of all activities. Spending money for additional things is optional (ex. popcorn at the movies, gift shopping).

### Extending your child's stay

If campers wish to extend their stay into another session, as long as there is space available, and you can bear to be parted from your child for another week, that is permissible.

### Food

Special diets can be accommodated with adequate notification.

### Medical Forms

The medical form for camp is on the registration page of my website [www.brendaschultztennis.com](http://www.brendaschultztennis.com). Please print it off and mail it in or you can bring it when you check-in. Children cannot participate without a medical form.

### Drop off and Pick-up

The check-in time for all weeks is Sunday between 3pm and 5pm. The pick-up time for all weeks is Saturday between 10am and 12pm. Parents please stick to these times as we schedule our weekends accordingly. If you cannot make this time window please contact us ahead of time so we can make plans.

**SEE YOU GUYS AT CAMP !!**

Brenda Schultz-McCarthy
